

DRY-TREAT X-DUTY CLEANER

Issue 1, 12/2009

Multi-purpose invisible cleaner

Summary	<p>X-DUTY CLEANER is a non-water-based and non-acidic cleaner for engineering concrete, terracotta tile, cast stone, paving, limestone, brick, marble, granite, terrazzo and grout.</p> <p>X-DUTY CLEANER for lifting deep-seated stains and graffiti from most surfaces. The product is also excellent for the removal of the factory applied wax coating found on many porcelain tiles.</p>
Typical applications	<p>X-DUTY CLEANER™ is suitable for a wide variety of applications, including:</p> <ul style="list-style-type: none">• building facades• floors• walls• swimming pool surrounds• patios• garages• kitchens• entertaining areas
Benefits	<p>X-DUTY CLEANER™ is able to clean graffiti, stains from surfaces; suitable for indoor and outdoor use, and easy to use with a low odour.</p>
Application rate	<p>Typical application rate is approximately 20 ml per 100 x 100 mm surface mark (a cap full per 4 x 4 in. mark), depending on surface absorption and type of stain.</p>
How to use	<ol style="list-style-type: none">1. ALWAYS TEST PRODUCT ON A SMALL AREA FIRST. Allow a 24-hour cure time. Check that the sealer does not discolour the surface.2. Sweep surface to remove dust and dirt.3. Use product undiluted directly from the container.4. Apply solution to the surface using a clean white cloth and allow 60 seconds for penetration before lightly scrubbing using a natural bristled brush.5. Wipe off excess using a clean white cloth to remove residue.6. For stubborn deep-seated stains wet the surface with X-DUTY CLEANER™ for two minutes and repeat steps three to five.7. Clean equipment with methylated spirits.
Advanced tips	<p>X-DUTY CLEANER can be used to strip off most clear acrylic sealers.</p>

DRY-TREAT X-DUTY CLEANER
